

# DC HEALTHY SCHOOL MEALS EXPO FAIR EXHIBITORS

## ROOM 2 - GROUND FLOOR

**1) Dairy Maid Dairy, Inc.** Contact: Jody Vona, Howard Schultze Phone: 301-663-5114

Dairy Maid Dairy currently services 5 schools districts in the state of Maryland as well as many hospitals. The products we use are US Public Health approved and meet all government standards. All milk is sourced from farms in Maryland and Virginia and is free of antibiotics and synthetic hormones.

**2) Fresh Start Catering** Contact: Gregg Malsbary , [gmalsbary@dccentralkitchen.org](mailto:gmalsbary@dccentralkitchen.org)

Website: [www.dccentralkitchen.org](http://www.dccentralkitchen.org) Phone: 202-234-0707

Moving forward in 2010, DC Central Kitchen and Fresh Start Catering hope to partner with more schools on fresh and innovative meal programs while working to increase our local food buying power and food usage through initiatives like crop gleaning and produce procurement.

**3) True Food Vending** Contact: Mark Suresh Schlanger, [m.s.s@earthlink.net](mailto:m.s.s@earthlink.net) Phone: 202-549-6621

True Food Vending supplies state of the art vending machines filled with healthy snacks and beverages for schools, institutions and government facilities. Our products are manufactured based on strict nutritional guidelines and are made from fruits, vegetables, nuts, seeds, whole grains and all natural sweeteners. We also provide nutrition education and taste-testing.

**4) Have Your Cake And Eat It Too!** Contact: Lowry Martin, [veggiecakes@aol.com](mailto:veggiecakes@aol.com)

Website: [www.haveyourcaketoo.com](http://www.haveyourcaketoo.com) Phone: 240-441-6248

We are a bakery using 100% whole wheat in our muffins that meet the NSLP standards of 1 and 2 Bread and fruit component. Our products are all natural with no preservatives. We source veggies and fruit locally when possible.

**5) Keany Produce** Contact: Roy Cargiulo, [roy@keanyproduce.com](mailto:roy@keanyproduce.com)

Website: [www.keanyproduce.com](http://www.keanyproduce.com) Phone: 301-618-5430

In the case of Keany Produce, our name says it all. For more than a quarter-century, our family has built a tradition of exemplary service by delivering an extensive selection of the freshest produce.

**6) Lancaster Farm Fresh Cooperative** Contact: Liam Powers, [liam@lancasterfarmfresh.com](mailto:liam@lancasterfarmfresh.com)

Website: [www.lancasterfarmfresh.com](http://www.lancasterfarmfresh.com) Phone: 717-656-3533

We are a non profit organic farmers cooperative. We support the small family sustainable farmers in our region by providing marketing tools and transportation to make their farming lifestyle complete. We are farmers and individuals that believe that small family farms are truly the way of a sustainable future. We work with over 31 schools in the Philadelphia region by providing healthy snacks on a weekly basis.

**7) Mid-Atlantic Gleaning Network** Contact: Garret Hutsko, [ghutsko@cox.net](mailto:ghutsko@cox.net)

Website: [www.midatlanticgleaningnetwork.org](http://www.midatlanticgleaningnetwork.org) Phone: 703-303-8179

A 501c3 Faith-based charitable organization whose mission is to fight hunger by harvesting fresh fruits and vegetables from farms and orchards. Gleaning, Harvesting, Contract Growing, Sponsored loads.

## ROOM 4 - GROUND FLOOR

**11) Alliance for a Healthier Generation** Contact: Precious Calloway Phone: 202.905.3095

Website: [www.healthiergeneration.org](http://www.healthiergeneration.org) E-mail: [precious.calloway@healthiergeneration.org](mailto:precious.calloway@healthiergeneration.org)

The Alliance for a Healthier Generation recognizes that schools are powerful places to teach young people healthy life skills. We have launched a Healthy Schools Program, to create healthier environments.

**12) Cooperative Extension Service, University System of the District of Columbia - Market Maker** Contact: Dr. Calvin Lewis, [clewis@udc.edu](mailto:clewis@udc.edu) Phone: 202-274-7136

Market Maker is an informational network that helps farmers access markets and consumers find locally grown products. One of its primary attributes is to help schools find fresh and locally grown food.

**13) Capital Area Food Bank - Portion Sizes Exhibit** Contact: Jodi Balis, [balisj@capitalareafoodbank.org](mailto:balisj@capitalareafoodbank.org) Website: [www.capitalareafoodbank.org](http://www.capitalareafoodbank.org) Phone: 202-526-5344

We are the largest, nonprofit hunger and nutrition education resource in the Washington Metropolitan area. We distribute food to our member agencies working in the community and provide resources.

**14) D.C. Farm to School Network** Contact: Andrea Northup, [andrea@dcfarmentoschool.org](mailto:andrea@dcfarmentoschool.org)

Website: [www.dcfarmentoschool.org](http://www.dcfarmentoschool.org) Phone: 202-526-5344

We are a coalition working to get more healthy, local and sustainable foods into D.C. schools. We can work with your school or food service vendor to source and serve more healthy, local foods!

**15) D.C. Hunger Solutions** Contact: Kristin Roberts, [kroberts@dchunger.org](mailto:kroberts@dchunger.org); Katie Vinopal

Website: [www.dchunger.org](http://www.dchunger.org) Phone: 202-986-2200

D.C. Hunger Solutions' mission is to improve the nutrition, health, and well-being of residents. A key strategy is increasing access to and maximizing participation in school meals and afterschool feeding programs.

**16) Through The Kitchen Door** Contact: Daniel Nachtigal, [nachtigal@rcn.com](mailto:nachtigal@rcn.com); Liesel Flashenberg

With a focus on in school lunch programs that cook from scratch, Through

The Kitchen Door provides start up advice and consulting. We also conduct hands on cooking workshops for parents and students.

**17) University of Maryland Environmental Finance Center** Contact: Liz Fried, [lfried@umd.edu](mailto:lfried@umd.edu), 301-405-7956 or Megan Hughes, [mhughes3@umd.edu](mailto:mhughes3@umd.edu), 301-405-4035 Website: [www.foodtrader.org](http://www.foodtrader.org)

We are a University-based center providing communities with the tools necessary to manage change for a healthy environment and an enhanced quality of life. We are the primary sponsor of Foodtrader.org, a virtual farmers market that connects buyers and sellers with local food as soon as it is harvested.

**18) Washington Youth Garden** Contact: Anna Beth Roeschley,

[aroeschley@washingtoneyouthgarden.org](mailto:aroeschley@washingtoneyouthgarden.org)

Website: [www.washingtoneyouthgarden.org](http://www.washingtoneyouthgarden.org)

Phone: 202-245-2709

The mission of the Washington

Youth Garden is to inspire families to engage in self-discovery, explore relationships with food and the natural world, and contribute to the health and well-being.
